Please call (203)775-7314 for test kits/N95 masks for the disabled. N95 masks are still readily available during operating hours at the Town Hall, Senior Center, Park & Recreation Department, Police Department and Brookfield Library.

Town Hall Covid-19 booster/vaccine clinic is open on Thursdays only from 3 to 6 PM at the Town Hall. No appointments, walk-ins only. Proof of primary vaccination series for booster doses and a photo ID are required.

Please remember there are many effective ways to stay healthy including a healthy diet, exercise, fresh air and sunshine, and personal hygiene.

This will be my last Code Red update, unless there is any significant change. All pertinent information will remain posted on our town website. Please take care of yourselves and one another.

Sincerely yours in service,  
Tara Carr
